

As the new editor-in-chief I, would like to thank past Editor-in-chief and editorial team for their outstanding work in placing the journal on the map of qualitatively recognised scientific journals. Further, I appreciate the dedication and support of **Section Editors & Members of International Advisory Board** in nurturing and strengthening the journal. I am overwhelmed to work with such a distinguished group of people who, like me, aim to see the humongous growth of the journal within intellectual community. Kindly address all the queries, suggestions and feedback at *chiefeditor.ccdjournal@mmumullana.org*. I am committed to preserve our glorious past and remain open to future.
